POPULAR TREATMENTS

ANTI-WRINKLE TREATMENTS

Botulinum Toxin is a popular treatment used to soften and smooth expression lines, such as those on the forehead, frown lines and crow's feet. With advanced techniques, it can also address concerns including gummy smile, downturned mouth, smoker's lines and brow lift.

STARTING FROM **£160**

VAMPIRE FACIAL WITH PRF

This innovative treatment uses your own blood's natural growth factors to stimulate collagen production and support tissue regeneration. Platelet-Rich Fibrin (PRF) improves skin tone and texture while reducing fine lines and wrinkles, leaving your skin radiant and refreshed.

STARTING FROM **£180**

BIOSTIMULATORS: RADIESSE & SCULPTRA

Biostimulators are injectable treatments that boost your body's natural collagen and elastin production, gradually improving texture, firmness, and volume for natural-looking, long-lasting rejuvenation. They're commonly used for facial ageing, skin laxity, fine lines, and body contouring.

SKIN REJUVENATION TREATMENTS

DERMAL FILLER

Dermal filler injections are a nonsurgical cosmetic procedure used to plump up wrinkles and smooth lines and restore volume loss in your face.

LIP FILLER | from £180

Lip augmentation is a cosmetic procedure that can give you fuller and plumper lips. In addition to fuller lips, the procedure can help create definition and symmetry for uneven lips and an enhanced Cupids Bow.

NASOLABIAL FOLDS | from £180

Plumping the indentation lines on either side of the mouth that extends from the outer edge of the nose to the mouth's outer corners.

MARIONETTE LINES | from £180

Marionette lines occur with age, smoking, and genetics. Filler can be used to improve marionette lines and folds by adding volume. This helps to structure the mouth by uplifting the corners.

SMOKERS LINES | from £180

Smokers lines develop around the mouth because of puckering of the lips. Filler can be used to soften lip line and decrease the appearance of smokers lines.

LIQUID RHINOPLASTY | from £180

A non-surgical nose job, also known as a "liquid nose job," is a cosmetic procedure that uses dermal fillers to reshape the nose without the need for surgery. A 2-week top up is often required.

CHEEK FILLER | from £180

Enhance the natural contour of the cheeks, create a contour where little definition is present, or create a fuller appearance of the cheeks.

JAWLINE FILLER | from £180

Enhance the natural contour of the jaw, create a contour where little definition is present, create the appearance of a slimmer face.

CHIN AUGMENTATION | from £180

Create a more defined side profile, reduce the appearance of slackening/double chin, or to fill a cleft chin.

CONTOUR PACKAGES | £ PER ML

Lips | Nose | Chin | Cheeks |
Nasolabial Folds | Marionettes

This treatment uses filler to improve facial proportion and definition.

2 ml - from £240

3 ml - from £330

4 ml - from £420

5 ml - from £510

6 ml - from £600
