POPULAR TREATMENTS

ANTI-WRINKLE TREATMENTS

Botulinum Toxin is a popular treatment predominantly used for the softening and smoothing of expressive lines, such as those on the forehead, frown lines and crow's feet. Advanced techniques can also treat a number of concerns, including gummy smile, downturned mouth, smokers lines and brow lift.

STARTING FROM **£150**

PRF VAMPIRE FACIAL

This innovative treatment uses your own blood's natural growth factors to stimulate collagen production and tissue regeneration. Platelet-Rich Fibrin (PRF) improves skin texture, tone, and reduces fine lines and wrinkles. The results? Truly radiant skin!

STARTING FROM **£175**

RF MICRONEEDLING

A minimally invasive skin rejuvenation treatment that combines microneedling with radio frequency (RF) energy. This dual-action treatment promotes your skin's natural ability to repair and regenerate, resulting in firmer, smoother, and more youthful-looking skin.

STARTING FROM **£140**

SERVICE OVERVIEW

SKIN REJUVENATION TREATMENTS

*SPECIALISING IN ADVANCED NON-SURGICAL
TREATMENTS TO ENHANCE AND REJUVENATE THE SKIN*

About The Metabolic Female

I offer a wide range of regenerative skin treatments and hormone testing from my private clinic in Wellington and at Be. Laser & Skin Clinic in Taunton. Following an initial consultation, a bespoke approach to your treatment will ensure you receive a plan perfect for your needs, expectations, and affordability.

Fully licensed, accredited & insured, you can rest assured that you are in the safest hands.

Cancellation and Deposit Policy

A deposit of £60 for injectable treatments and £30 for all other procedures, including consultations, secures your appointment; the remaining balance is due on the day of treatment.

All deposits are strictly non-refundable. I require 48 hours notice to rearrange your appointment to transfer your deposit to new appointment. Appointments changed less than 48 hours notice will be charged the the deposit as cancellation fee.

SKIN CONSULTS

PERSONALISED SKINCARE ADVICE

**TAKE THE HASSLE OUT OF CHOOSING THE
RIGHT SKINCARE REGIME FOR YOUR SKIN!**

I believe knowledge is power, and I want to share it with you! I want all of my clients to have a broad understanding of how best to nourish and manage their skin every day.

It is essential to understand what type of skin you have and what you are putting on the skin and why, AND how to treat any specific skin concerns and conditions long-term.

Skin consults are just £45 and can be booked by heading to: themetabolicfemales.co.uk/skinconsultation

SKIN REJUVENATION TREATMENTS

SCLEROTHERAPY LEG VEIN REMOVAL

Sclerotherapy is a highly effective treatment for reducing the appearance of unsightly thread veins (also known as spider veins) that appear on the legs.

Treated veins tend to fade within a few weeks, occasionally it may take longer to see the full results.

Per treatment | £110
Course of 3 treatments | £300

*NB - a [consultation](#) is required to determine whether this treatment is suitable.

RADIO FREQUENCY (RF)

Radio Frequency is a non-invasive treatment that reduces the appearance of signs of ageing by firming and lifting sagging skin. During radio frequency (RF) skin tightening, an electromagnetic device generates heat to stimulate the production of collagen, elastin and new skin cells.

Per treatment | £85
Add dermaplanning | £110
Add FILLMED® Bright peel | £120

**Combined Radio Frequency and
Microneedling with NCTF | £175**

ADVANCED BLEMISH REMOVAL

SKIN TAG | SEBORRHEIC KERATOSIS | WHITE MOLE REMOVAL

A safe and effective method for the removal of skin tags, white moles & seborrheic keratosis.

MILIA REMOVAL

Instantly removes Milia safely and effectively from the face.

CAMPBELL DE MORGAN | CHERRY ANGIOMAS | BLOOD SPOTS

Removal of Campbell de Morgan, cherry angiomas or blood spots.

SPIDER NAevi | TELANGIECTASIA

Removal of spider (thread) veins from the face.

*NB a [consultation](#) is required to determine suitability and cost.

POLYNUCLEOTIDES

Polynucleotides (PNs') are bio-stimulators that REGENERATE cell growth and REPAIR the skin from within improving OVERALL skin health.

They are designed to 'wake up' aged, tired, and damaged cells, getting them to act younger and working again.

By injecting PNs' directly into the skin, it stimulates the production of collagen and elastin, resulting in smoother, firmer, and more youthful-looking skin.

PN's Under-Eye | £160
PN's 2ml Vial | £195
PN's combined with HA | £195

SKIN REJUVENATION TREATMENTS

DERMAL FILLER

Dermal filler injections are a nonsurgical cosmetic procedure used to plump up wrinkles and smooth lines and restore volume loss in your face.

LIP FILLER | from £180

Lip augmentation is a cosmetic procedure that can give you fuller and plumper lips. In addition to fuller lips, the procedure can help create definition and symmetry for uneven lips and an enhanced Cupids Bow.

NASOLABIAL FOLDS | from £180

Plumping the indentation lines on either side of the mouth that extends from the outer edge of the nose to the mouth's outer corners.

MARIONETTE LINES | from £180

Marionette lines occur with age, smoking, and genetics. Filler can be used to improve marionette lines and folds by adding volume. This helps to structure the mouth by uplifting the corners.

SMOKERS LINES | from £180

Smokers lines develop around the mouth because of puckering of the lips. Filler can be used to soften lip line and decrease the appearance of smokers lines.

LIQUID RHINOPLASTY | from £180

A non-surgical nose job, also known as a "liquid nose job," is a cosmetic procedure that uses dermal fillers to reshape the nose without the need for surgery. A 2-week top up is required.

CHEEK FILLER | from £180

Enhance the natural contour of the cheeks, create a contour where little definition is present, or create a fuller appearance of the cheeks.

JAWLINE FILLER | from £180

Enhance the natural contour of the jaw, create a contour where little definition is present, create the appearance of a slimmer face

CHIN AUGMENTATION | from £180

Create a more defined side profile, reduce the appearance of slackening/double chin, or to fill a cleft chin.

CONTOUR PACKAGES | £ PER ML

Lips | Nose | Chin | Cheeks |
Nasolabial Folds | Marionettes

This treatment uses filler to improve facial proportion and definition.

2 ml - from £240

3 ml - from £330

4 ml - from £420

5 ml - from £510

6 ml - from £600

FILLER DISSOLVE | £POC*

If you decide you'd like to dissolve your filler, I can precisely inject Hyaluronidase into the area - this is an enzyme that exists naturally in your body and breaks down filler safely and comfortably
